# Agenda

Workshop on

Ecosystem-Based Decision Support Tools for Fisheries Management

14-18 February 2005
Key Largo, Florida

Schedule

<u>Monday, February 14</u>

0830 Welcome, introductions and discussion on workshop content and products, assignment of rapporteurs, etc.
Steve Murawski

0930 Discussion of cross-cutting issues not included in topic sessions

1000 Break

1030 Ecosystem Science Advice in the context of Ecosystem Governance
Discussion presentations: Andy Rosenberg, Tony Smith

1200 Lunch

1330 Continue governance discussion, focusing on case histories, given different data models

1400 Indicators / Reference Points
Discussion presentations: Jason Link/Marie-Joelle Rochet/Kerim Aydin

1430 Break

1500 Discussion on the use of indicators, dimensionality, relationship to species-based management, etc.

<u>Tuesday, February 15</u>

0900 Functional Relationships between Ecosystem Components- the bridge between data and models
Discussion presentations: Villy Christensen, Mike Fogarty

1000 Break

1030 Functional relationships discussion continued

1200 Lunch

1330   **The Use of Models to Advise Ecosystem Approaches to Management**
Discussion presenations: Beth Fulton, Jeremy Collie

Wednesday, February 16

0900   **Data/Information Requirements supporting EAF**
Discussion presentations: Pat Sullivan

1000   Break

1030   **Discussion of specific fishery management council needs as case histories, New England, Mid-Atlantic, Gulf of Mexico, South Atlantic**
Discussion presentations: Tom Hoff, Steven Atran, Myra Brouwer and Vishwanie Maharaj, Chad Demarest

1200   Lunch

1330   **Social Science Data & Analytical Needs**
Discussion presentations: Rita Curtis, Kristy Wallmo, Jim Kirkley, Doug Lipton, David Tomberlin, John Tschirhart

Thursday, February 17

0900   **Continue discussions from previous days**

1000   **Task Teams meet to finalize discussions, prepare written summary from rapporteur's notes, and prepare short plenary discussion based on findings/highlights**

1200   Lunch

1330   **Task Teams continue to meet to prepare wrap-up presentations**

Friday, February 18

0830   **Plenary discussion of sections and finalize science need recommendations**

1200   Adjourn
